

Anmol Jain

SALESFORCE DEVELOPER

EXP : 2+ YEARS

OBJECTIVE

Salesforce Developer with 2+ years of experience in Apex Programming, Lightning development, and Stripe Integration. I am seeking to leverage my skills and passion for innovation to contribute to a dynamic team and advance my career in Salesforce development.

Experience

Dano Cloud Technology Pvt. Ltd
Salesforce Developer
Feb 2022 – Present

Project Title: WRC (Wholesale, Retailer, Consumer) – Stripe Integration/Aura Components

Description: This project was related to store the wholesaler, retailer and consumer details in which there are lots of products which we have stored in a custom object inventory, using the following components, Standard & Custom Objects, Approval Process, Workflow Rule, Lightning Process Builder, Apex Triggers, Custom Button, Page Layouts, Custom & Standard Fields, Record Types, Custom Report type, Reports & Dashboard, Product Migration, Stripe Integration.

Environment: Apex Programming, Salesforce CRM, Lightning development, Stripe Integration.

Primary Responsibilities:

- Configured the Stripe Integration for payment gateway.
- Created components to display all the inventory products to retailer by which they can add the products into cart and then proceed for a final payment via payment gateway (Stripe)
- Responsible for migrating data from one Sandbox environment to another Sandbox environment and Sandbox environment to Production environment using Force.com IDE tool and Change Sets.
- Worked on Apex Triggers and Apex Classes for custom logic.
- Run batches which will shoot the emails to consumers
