EXPERIENCE

Client Service Executive (Project Manager) — Ossisto Technologies

Nov 2024 – Mar 2026

- Managed **end-to-end relationships** with international clients, acting as the **primary point of contact** and ensuring consistent service delivery
 - Gathered **client requirements** and translated them into clear deliverables, improving execution accuracy and client satisfaction
 - Led **client onboarding** and **workflow setup**, ensuring smooth adoption and long-term engagement
 - Proactively identified **client needs** and contributed to **upsell and cross-sell opportunities**, supporting account expansion and service growth
 - Identified opportunities to enhance **client engagement** by recommending additional services aligned with client requirements
 - Collaborated with internal teams to align deliverables with client expectations and ensure timely project completion
 - Maintained and tracked client data using **Salesforce and HubSpot**, improving visibility and workflow management
 - **Reduced escalation rates** through proactive communication, expectation setting, and timely issue resolution
- Awards:** Employee of the Month (2x), Rising Star of the Year.

Customer Support Representative — Hi-Tech Digital Solutions

Mar 2023 – Sep 2024 | Ahmedabad

- Managed **high-volume communication with global clients**, ensuring accurate requirement understanding and smooth coordination
- Improved team **SLA performance from 82% to 98%** through process improvements and better task prioritization
- **Coordinated with internal teams** to ensure timely delivery and consistent service quality
- Performed **quality audits** to reduce errors and improve output consistency
- Supported onboarding and training of new team members, improving team efficiency
