PROFESSIONAL EXPERIENCE

Executive - Digital Marketing

CarDekho Group | 2024 - Present

- Managed and optimized Google Ads and Facebook Ads campaigns for automotive lead generation, focusing on increasing the volume of high-quality car leads.
- Developed and implemented data-driven strategies to improve CTR, conversion rates, and reduce CPL (Cost Per Lead) for various car models, including Audi, Mercedes-Benz, Maruti Suzuki, Hyundai, and BMW.
- Created compelling ad copies, headlines, callout extensions, and sitelink extensions for multiple car brands to enhance ad relevance and engagement.
- Collaborated with internal teams and stakeholders to align advertising strategies with business goals and market trends.

PPC Executive

Digital Omens | 2021 - 2024

- Developed and managed PPC campaigns across multiple platforms, optimizing for maximum ROI and audience reach.
- Analyzed campaign performance and continuously made data-driven adjustments to improve efficiency and drive better results.
- Worked closely with cross-functional teams to ensure seamless execution and alignment of project goals.
- Conducted in-depth keyword research and created compelling LSA & GMB listings to enhance local search visibility and engagement.
