

Ishaan Pareek

ishaanpareek30@gmail.com — +91-8890573300 — Jaipur, India

Profile Summary

Detail-oriented **B.Tech IT student** with strong foundations in **databases, SQL, and Power BI**. Hands-on experience building and optimizing dashboards, managing relational databases, and integrating backend logic with data visualization tools. ... Proficient in SQL (MySQL, Oracle SQL) with the ability to quickly adapt to MS SQL Server for enterprise reporting and analytics. . Eager to contribute to large-scale **data engineering projects** in a collaborative, multicultural environment.

Education

Swami Keshvanand Institute of Technology

B.Tech (Information Technology), CGPA: 8.40

Jaipur, India

2022 – 2026

Ambuja Public School (CBSE)

Pali, Rajasthan, India

AISSCE – PCM: 81.6%

2019 – 2021

Internship Experience

Backend Development Intern – Itonic Labs (Remote)

Jul 2024 – Aug 2024

- Developed and optimized **SQL queries** to manage data for backend services.
- Integrated **MySQL databases** with backend logic using **Core Java** and **JavaScript**.
- Strengthened understanding of **ETL concepts**, debugging, and data workflows.

Projects

Data Dashboard Development with Power BI and SQL

2024

- Created interactive dashboards in **Power BI** to visualize KPIs from SQL datasets.
- Applied data cleaning, transformation, and modeling for improved decision-making.

Drug Inventory and Supply Chain Tracking System (Final Year Project)

Ongoing

- Designed **MySQL database schema** for inventory management.
- Implemented **ETL pipeline** for real-time stock monitoring and reporting.

Technical Skills

BI & Data Visualization: Power BI, Dashboard UX Review, Data Modeling

Databases: MS SQL(basics), MySQL, Oracle SQL, MongoDB

Programming: Python (Basics)

Concepts: ETL, REST APIs, Data Normalization, Query Optimization

Tools: VS Code, Excel (Data Cleaning), Shell Scripting Basics

Certifications

- Oracle: Database Programming with SQL
- Oracle: Java Fundamentals
- Computer Networking Basics: How Computers Communicate
- Participant – LNM Hacks 5.0 (2023)

Interests

Playing Sports, Yoga, Travelling, Spiritual Activities
