Summary

Software Developer with experience in developing full-stack web applications, specialising in front-end and back-end functionalities. Proficient in creating responsive user interfaces using React and maintaining RESTful APIs with Flask and Django. Skilled in database management, particularly with MySQL and MongoDB, ensuring optimised performance. Strong problem-solving abilities and a commitment to writing clean, maintainable code. Career goal: to leverage technical skills in a challenging software development role that fosters growth and innovation.

Experience

Software Developer Intern

Media City Software Inc.

02/2023 - 07/2023

Bhilwara, Rajasthan

- **Developed** full-stack web applications with advanced front-end and back-end features, **enhancing** functionality and performance.
- **Optimized** user interfaces using React, **delivering** responsive and user-friendly experiences.
- **Built and maintained** RESTful APIs using Flask and Django, **improving** frontend-backend communication and data efficiency.
- **Resolved** technical issues through debugging and optimization, **ensuring** smooth application performance and reliability.

Skills

- **Proficient** in building scalable web applications with React (frontend) and Python (Flask/Django) (backend). Experienced in database integration, REST APIs, and version control. Strong problem-solving skills with a focus on clean, maintainable code
- **Front-end development:** Expertise in HTML, CSS, JavaScript, and modern front-end frameworks and libraries, particularly React
- **Back-end development:** Python, Flask, Django (learning), REST APIs, JWT authentication Tools: Git, GitHub, Docker, Heroku, and PyTest
- **Databases:** MySQL and MongoDB proficiency

Projects

• Delici: Restaurant React Template (2023)

Converted the HTML website into a more dynamic and performant application using react.js.

Available at: <https://themeforest.net/item/delici-restaurant-react-template/42970412>

• Qeducato: Online Learning Platform (2023)

Optimized platforms responsiveness, ensuring learners engaged with content seamlessly.

Available at: <https://themeforest.net/item/qeducato-university-and-college-react-template/44173641>

• Insuco: Insurance Company React Template (2023)

Modernized the user interface and enhanced the overall user experience.

Available at: <https://themeforest.net/item/insuco-insurance-company-react-template/43272854>

Certifications

- Rajasthan State Certificate of Information Technology (RSCIT)
- Google Cloud Skills Boost Badges (Bronze League) https://www.cloudskillsboost.google/public_profiles/e0d4c490-f627-40ad-89d2-353ac7df885f

Education

Masters Of Computer Application - Sharda University

Greater Noida, UP

2025

Bachelor of Computer Application- - Jaipur Engineering College and Research Centre (JECRC UNIVERSITY)

Jaipur, RJ

2023
