EDUCATION

Swami Keshvanand Institute of Technology

Bachelors of Technology in Electrical Engineering, CGPA: 7.67

Jaipur, Rajasthan

July 2018 - June 2022

EXPERIENCE

Habilelabs Pvt. Ltd.

Associate Software Developer

Jaipur, Rajasthan

Feb 2022 - Sept 2023

- Experienced software developer with 2 years of hands-on expertise of all phases of the Software Development Life Cycle (SDLC), proficient in coding, debugging, and cross-functional collaboration. Strong foundation in programming and a commitment to excellence.
- Tech Stack: **JavaScript, LWC, JQuery, Apex, SOQL.**

Project: iSEEit

- iSEEit application is the **First MEDDIC app** on Salesforce.com. Users can understand their buying circle in the Org Chart tab, view the next steps and Close-Plan in the timeline and refer to the Tutorial for the best practice of your sales methodology. It is like a GPS for sales teams showing you where you are and how to navigate to close the deal. It is Lightning ready and works on Classic & Salesforce1.
- Implemented Lightning Web Components (LWC) and Apex to debug and develop new features; enhanced user experience resulting in a positive feedback from client side.
- Spearheaded the successful migration of existing functionality and features from Visualforce and Aura to Lightning Web Components (LWC), resulting in a **40% improvement in page load time.**
- Curated to **Salesforce Admin** Related task like Validation Rules, Permission sets, Custom objects, fields, Record types and Dashboards & Reports meta-data type for dynamic rendering, that **reduced code complexity by 35%.**
- Contributed to the Software Development Life Cycle (SDLC) by actively participating in daily stand-ups, sprint planning meetings, and code reviews, ensuring the timely delivery of high-quality software products.

Project: ISV Insights

- iSEEit's ISV Insights, a React-based app integrated with Salesforce tools (SOQL, Triggers), leverages data analysis to enhance user experience. It employs dynamic interfaces, optimizing features for a 30% boost in user satisfaction. Regular updates through iSEEit's documentation keep stakeholders informed about capabilities and ongoing improvements.

Rajasthan Rajya Vidyut Prasaran Nigam Ltd.
