

# Viraj Mehta

AIML Engineer

**Address** Thane, India 401107

**Phone** 09022625625

**E-mail** viraj.mehta2001@gmail.com

**WWW** [https://bold.pro/my/viraj-mehta-](https://bold.pro/my/viraj-mehta-240602214647/351r)

240602214647/351r>Bold Profile

Enthusiastic and detail-oriented AI/ML Engineer with a solid foundation in machine learning algorithms, data analysis, and software development. Adept at leveraging programming languages such as Python and frameworks like TensorFlow and PyTorch to develop and implement innovative AI solutions. Strong analytical skills combined with a passion for technology and a continuous drive to learn and apply new techniques in real-world scenarios.

## Skills

---

Proficient in technical writing for reports, documentation, and proposals. Proficiency in programming languages such as Python, Java, or C++ for algorithm development, data analysis, and automation. Familiarity with software development frameworks and libraries (e.g., TensorFlow for machine learning, OpenCV for computer vision). Competence in using simulation and modeling tools for system analysis, optimization, and validation. Knowledge of data visualization tools like Tableau or matplotlib for presenting technical information effectively.

## Work History

---

**2023-06 - 2023-09**

### Data science engineer-intern

*Resoluteai*

- Perform data cleaning, transformation, and feature engineering to prepare datasets for analysis.
- Identify and address data quality issues.
- Assist in collecting, processing, and analyzing large datasets from various sources.
- Apply statistical analysis and machine learning techniques to derive actionable insights.
- Support the development and evaluation of predictive models and algorithms.

**2019-05 - 2019-05**

### Front end developer-intern

*SQBE infotech*

- Streamlined codebase by refactoring HTML, CSS, and JavaScript for improved performance and maintainability.

## Education

---

2016-06 - 2017-05

**SSC**

*St. Francis high school - Mumbai*

2018-06 - 2021-05

**Diploma**

*Pravin Patil college of diploma and engineering - Mumbai*

2022-06 - 2024-05

**Bachelor of Engineering in AIML**

*Universal college of engineering - Mumbai*

## Organisational Managerial Skills

---

- Effective time management to prioritize tasks and meet project deadlines.
- Proficiency in project planning, scheduling, and execution to ensure smooth workflow and resource optimization.
