Internships

MLOps Engineer Intern | Linux World Informatics Pvt. Ltd. – Jaipur | On-site | Jun 2025 – Aug 2025

- Assisted in the development of ML pipelines from data preprocessing to model tuning and deployment
- Trained deep learning models (CNN, RNN, LSTM, GAN) on TensorFlow, PyTorch, and Keras.
- Helped in deploying models via Kubernetes, Jenkins, Terraform, and RHEL v9.
- Utilized MySQL and MongoDB, and conducted SQL analytics.
- Implemented version control in all projects using Git & GitHub.

Projects

Project Title: Smart Health Consultation Web App

- Built a Full Stack Health Consultation Platform using React.js, Node.js, Express.js, and MongoDB with secure login for patients and doctors.
- Implemented appointment scheduling, health record management, and symptom-based search with RESTful APIs.
- Gained hands-on experience in role-based access control, backend logic, and database modeling.

Project Title: Stock Portfolio Tracker

- Developed a Full Stack Stock Portfolio Tracker using React.js, Node.js, Express.js, and MongoDB.
- Integrated third-party APIs for real-time stock prices, portfolio analytics, and profit/loss calculations.
- Enhanced skills in API integration, responsive dashboard design using Tailwind CSS, and CRUD operations.

Workshops, Conferences & Seminars

Seminar on Artificial Intelligence & Machine Learning | ICFAI University, Jaipur | 2024

- Explored real-world applications of AI and ML, with discussions on model training, ethical AI, and industry trends.

Web Development Fundamentals Workshop | Online | 2024

- Gained hands-on experience building responsive websites using HTML, CSS, and JavaScript.

Co-Scholastic Engagements

NSS Volunteer – National Service Scheme | ICFAI University, Jaipur | 2024 – Present

- **Organized a Blood Donation Camp** under NSS, encouraging student participation and promoting awareness about voluntary blood donation.
- **Participated in a 7-Day Special Camp** focused on rural outreach, cleanliness drives, and community awareness programs on health and hygiene.

Interests

- **Data Analytics** – Passionate about extracting insights from data and creating visualizations using Python.
- **Equity Investing** – Passionate about following stock trends and exploring long-term wealth-building strategies.

Personal Details

- **Father's Name:** Vishnu Kumar Purviya
- **Permanent Address:** 49, Prem Nagar, Agra Road, Jaipur, Rajasthan, Pin-302031
- **Languages Known:** English, Hindi
- **Nationality:** Indian
